## OUR DIRECTORS

# *Hi there!*

thinkdzone was conceived in 2008 by the directors. Their more than 30 years experience in the specialised interior architecture field means that every project gets very personalised service.

The team of talented designers are passionate about creating inspired kitchens, bathroom and living space designs that improve the quality of people's lives. With complementary skills and a focus on quality, we are renowned for designing beautiful and highly functional kitchens, bathrooms and living spaces that feature the best and most innovative ideas and products from around the world.

We're known for coming up with ideas that significantly boost the visual appeal and usability of your space. We know what questions to ask to uncover great idea you may not have thought of yourself.

We also explore the latest trends in kitchens, bathrooms and interiors, and our designs incorporate a variety of smart and well-considered features.

# *We go the extra mile*

thinkdzone's awarding winning design team are known for coming up with creative and clever ideas for the broad range of clients . We works with architects, builders, interior designers, developers and home owners on a broad range of interior projects. These can include single kitchen renovation, through to full house or apartment interiors fit outs.

Our goal is to apply our knowledge and the latest design trends sourced from our suppliers from all over the world.

Let us help you to get the real "wow" factor in your project.

# WE WOULD LOVE TO WORK WITH YOU

It's our belief that when you live with great design, it's instantly relaxing: it's great to look at and a constant pleasure to use.

*To us, that's simply good thinking.*
